 # 12th Oct 2024

Started reading the spec.

Identified what needs to be done and planned the next few days accordingly.

 # 14th Oct 2024

Started finding for inspirations. used Linkedin, Github and youtube.

tried coding different styles.

 # 15th Oct 2024

Started work

Defined key sections to include (About Me, Blog Posts, and Contact Me)

Decided on a modern, clean design with a cohesive color scheme that would be used across all pages. (decided to go with Sea green)

Sketched initial layout ideas and planned interactive elements like hover effects for buttons and navigation links.

 # 18th Oct 2024

Set up the basic HTML and CSS structure for the site.

Created a fixed header with navigation links to key sections like Home, About Me, Blog, and Contact.

Added hover effects to the navigation links for a more dynamic experience.

 # 20th Oct 2024

Developed the footer to include navigation links, social media icons.

Finished half of the Header. (but not satisfied)

 # 21st Oct 2024

Changed the Colour palette to orangish yellow.

Finished the header.

made it responsive.

completed half of the home page banner. included media queries.

 # 22nd Oct 2024

Created an About Me section with a placeholder paragraph, explaining my journey

Added a divider and designed small containers to showcase my educational qualifications, complete with institution logos for visual appeal.

Designed a "Download My CV" button with hover effects - Modifications to be made.

Began working on the Blog Posts area

 # 23rd Oct 2024

Finalized blog area and started on the contact section.

used internet images

used AI to generate blog topics.

 # 24th Oct 2024

Completed the Blog and about me page, making it responsive.

Added a View More Blogs button with hover effects to encourage readers to explore more content. - on the home page

 # 26th Oct 2024

Started working on the Contact me page.

watched youtube tutorials on portfolios

 # 28th Oct 2024

Changed the home page front view.

Added the news letter part to the beginning.

 # 1st Nov 2024

Final touches on the Contact Me page and newsletter form.

Footer needs a little bit of changes.

Tested and refined all interactive elements, including buttons, links, and form inputs, to ensure a smooth user experience across devices.

A few buttons needs touch up.

 # 3rd Nov 2023

Connected the pages.

connected links.
